RENAISSANCE NUTRITION CONSULTANT

Job Location: many locations across the US

Contact Person: Phil Anderson
phil.anderson@rennut.com
814-229-2912

Qualifications:

- Bachelors Degree or higher
- Self-Starter with a strong work ethic
- Outgoing personality and communication skills
- Dairy cattle and industry knowledge is helpful
- Dairy farm experience required

Job Description:

- Renaissance has 100+ nutritionists working in 30 states, and we are growing
- Our nutritionists work independently in a geographical area. They have options for consulting work and/or related product sales, so they can build their own consulting business that fits the local region.
- We do forage sampling, ration balancing, and related consulting work directly with dairy producers.
- Renaissance provides training and continuous support from our regional managers and our highly experienced in-house nutrition department staff.
- Our software, recommendations, and products come from independent university research.

Employment type: full time permanent positions

**We are always watching for talent and fitting people into our company.
As we have for over 35 years, we will grow in areas where the cows are.**
